Sir:

The Owner of above-listed U.S. Patent No. 6,954,701 respectfully requests that a payment for deficiency owed regarding the 4-year maintenance fee be accepted by the Office. The patent maintenance fee previously paid for this matter on March 25, 2009 was paid in good faith based on a small entity status. However, due to an oversight the 4-year patent maintenance fee should have been paid based upon large entity status.

The total deficiency currently owed is \$490.00. The itemization of the deficiency payment is as follows:
